

The horrible case of several families that were attacked and murdered in their own homes still scares the city.

The criminal behind all this hasn't been caught yet.

so even the slightest information can be useful.

This is all we could get so far

This is the facial composite of the criminal.

The criminal has not had any previous convictions, so it is thought he might be a minor, or a foreigner

Fingerprints have been found

But what does that mean? A "new breed of weapon"?

I was especially curious about the statement that he used a "new breed of weapon."
